SICILY MARKET EXPERIENCE

# THE TRIP

Sintesi per immagini di un viaggio in Sicilia.

Terra di persone che quotidianamente portano in scena il mestiere di vivere e sopravvivere mentre tutto concorre all'apparente deriva universale, al destino scritto, immutabile.

Un mondo arcaico che si affaccia all'ombra di vicoli ombrosi nei quali, in un giorno di fine estate, Karman irrompe con la propria suggestiva ironia.

Un'esperienza indimenticabile dove la luce ha divertito e fatto sorridere.

Grazie per la smisurata umanità.

*Pictures that tell a story of a trip in Sicily.*

*Land of people who, every day, live and survive, while everything goes by, in an universal drift, as an immutable, written fate.*

*An archaic world, that is working in the shade of its alleys where, in an end of summer day, Karman invades with its suggestive irony.*

*An unforgettable experience where the light had fun and made smile.*

*Thank you for your immeasurable humanity*
